Music Choice® On Demand

No more waiting! Now you can watch your favorite music videos anytime you want, plus get artist interviews and studio performances you won't find anywhere else. These new features have been added FREE as a part of your Music Choice service on digital cable.* Don't have Music Choice On Demand™? Call your local cable provider today.

DIGITAL CABLE CUSTOMERS: Did you know that Music Choice On Demand features can be found right in your On Demand music menu? Go to your digital cable music On Demand menu, and click on the Music Choice button to find options for changing your video formats, as well as an MC Exclusive™ button that will link you to exclusive interviews and studio performances!

* Free features will soon be available from most cable providers, not yet available in all locations. Available features may vary according to location.

Videos

Videos are available from your favorite **R&B n Hip-Hop**, **Hit List!**, **Rock-Alternative**, **Latin**, and **Country** artists. Plus, get kid-friendly videos with **KidZone(tm)** and flashback to the '70s, '80s, '90s and more with **Video Vault**. Get your fill of today's hottest videos with **Top Videos** or chose **Hot Video Lists** for a continuous list of videos hosted by your favorite artist or a "Best Of" video list. **Check it Out** has something for everyone, whether you're looking for the hottest videos or artists exclusive specials, find it all in **Check it Out** - you're in control!

Shows
