

11-26-14

Dear Copyright Royalty Judges,

We believe the terms of the agreement negotiated by College Broadcasters, Inc. and SoundExchange (published in the Federal Register on Nov. 5, 2014) represent our station's interests. Spinnaker Radio benefitted from the last agreement CBI negotiated with the Copyright Royalty Board regarding streaming radio and Sound Exchange. We'd like to see that continue through the new proposed settlement.

The agreement provides a reasonable basis for setting statutory terms and rates.

Thank you for listening to us.

Sincerely,

Scott Young
