Subject: Docket No. 2014-CRB-0001-WR, ACRN comment in support of adopting negotiated rates and terms

I am the faculty advisor to ACRN (All-Campus Radio Network), a student-run webcaster at Ohio University. I am writing to encourage adoption of the terms and rates in the agreement negotiated by College Broadcasters, Inc. and SoundExchange and proposed as a partial settlement in *Web IV* (79 Fed. Reg. 65609, Nov. 5, 2014). We strongly believe that the terms and rates in the agreement create a reasonable basis for the statutory license for non-commercial educational webcasters, and that the agreement meets the needs of our station.

Sincerely,

Gregory D. Newton, Faculty Advisor
