Hello.

My name is Rob McKenzie and I am the University Advisor to WESS Radio (90.3 FM) at East Stroudsburg University of Pennsylvania.

We believe that the terms of the agreement negotiated by College Broadcasters, Inc. and SoundExchange and published in the Federal Register on November 5, 2014, represents your station's interests because we want to comply with the law but we have a very limited budget. .

We believe that the agreement provides a reasonable basis for setting statutory terms and rates.

Thank you for considering this agreement in your deliberations.

Sincerely,

Rob McKenzie, Ph.D.
