Gary--

Hey there. Long time no speak! Wanted to reach out to you this morning to see if you've heard my other artist AS FAST AS? Really great alt band who actually just got the video add at Music Choice. Can I shoot some music your way? I think it could be a great fit for the channel.

Hope the holiday treated you well.

Hey man... sorry it took so long to get back to you... We finally got our email back yesterday and it took me the entire day just to go through the new mail... What a headache... So... it has been decided to add "Join In The Praise" to our Praise and Worship block programming... The Block airs every Sunday... Hope that helps you out... Good luck with everything...

Hey Justin-

If possible, I wanted to see if you've had a chance to listen to the new Pepper track, "No Control"? This song has a lot of momentum at Alternative radio and sonically works perfectly for your Alt Channel. Here is an update:

- 1) New **ADDS** this week at **WOCL/Orlando, Sirius/Alt Nation!**
- 2) Pepper **ADDED** and in rotation already at **KROQ/Los Angeles, KBZT/San Diego, 91X/San Diego, WJRR/Orlando, KWOD/Sacramento, KXTE/Las Vegas, WPBZ/W. Palm Beach, KNXX/Baton Rouge, KUCD/Honolulu, KJEE/Santa Barbara, WEQX/Albany, WBTZ/Burlington, WJSE/Atlantic City, XM/Ethel, Sirius/Faction.**
- 3) Top 10 phones at **KROQ/Los Angeles, KUCD/Honolulu, KJEE/Santa Barbara!**
- 4) Pepper plays **NYC** on 11/10 at **Roseland Ballroom!**

All this, and the record only landed at radio a little over two weeks ago! Is it possible to have "No Control" in discussion next week for a real shot to get on the channel? I've attached the mp3, if you can't find the cd.

Thanks,

Tyson Haller
