More in store.

Open 24/7, the iTunes Store features more than 3 million songs, 65,000 free podcasts, 20,000 audiobooks, and now, iPod games. Find, download, play and sync in a fraction of the time it takes to drive to any supermarket.

Get songs for a song
With songs, albums, and music videos from major and independent music labels, plus individual artists, the iTunes Store eliminates the hassle of subscription services and banishes annoying ads. For just 79p (UK) / 99c (Ireland) each, you get high-quality AAC songs that won’t disappear at the end of the month, or ever. What you buy is yours to keep. That’s fair to you and fair to artists.

Your 24-7 Video Store
You can browse, preview and download more than 3,500 music videos from the iTunes Store, so your favourites are always just a click away. Buy videos for just £1.89 (UK) / €2.49 (Ireland), watch them on your Mac or PC, then take them with you on the new iPod. Looks like fun.

Stay on your game
Get your game on with new iPod
Choose from popular games or MAN, or discover new games : (UK) / €4.99 (Ireland), each iPod
Choose podcasts freely
Every radio-style and video podcast on the iTunes Store
is free. With tens of thousands of podcasts to choose from and subscribe to, you’re sure to find podcasts that pique your interest.

The Music Club

Our music club is a great way for you to enjoy unlimited downloads of our entire music library for only £9.99 a month. You’ll also be able to listen to full length versions of all our tracks without downloading them!
Choose from two great value packages:

**BASIC SUBSCRIPTION**
- £9.99 a month
- Unlimited streams
- Unlimited downloads

**PREMIUM SUBSCRIPTION**
- £14.99 a month
- Unlimited streams
- Unlimited downloads
- Transfer your music to a compatible portable device

In order to set up your Virgin Digital subscription, you’ll need to download and install the Virgin Digital music player. Once you’ve done this, you’ll be able to set up your account and browse our catalogue. You’ll also be able to use your player to access artist biographies and recommendations, and full rip & burn and music management software.

Interested? Click the button below to begin!
