Dear Consumer:

Thank you for contacting the Federal Communications Commission to share your concerns about program material. It's against federal law to air obscene programming at any time. It is also against federal law to air indecent or profane programming during certain hours. The Commission is charged with enforcing the law that governs these types of broadcasts.

Your views and concerns about program material are important to us. The Commission will review what you have submitted carefully to determine whether it contains sufficient information to suggest that there has been a violation of the obscenity, indecency or profanity laws. If it appears that a violation may have occurred, the Enforcement Bureau will start an investigation, which may include a letter of inquiry to the broadcast station. Further information is available on the Commission's web site at <http://www.fcc.gov/eb/oip/process.html>.

Again, thank you for contacting us about this important issue.

Sincerely,

Dear Mr. Powell:

An evaluation of your complaint has been made. It has been determined that the proper agency that may be able to assist you in resolving the issues in your complaint is your local Consumer Protection Agency.

City, County and State Consumer Protection Offices provide consumers with important services. They may mediate complaints, conduct investigations, prosecute offenders of consumer laws, license and regulate a variety of professionals, promote strong consumer protection legislation, provide educational materials and advocate in the consumer interest.

City and County consumer offices are familiar with local businesses and local ordinances and state laws. If there is no local consumer office in your area, contact your state consumer office. State offices, sometimes in a separate department of consumer affairs or the Attorney General's or Governor's office, are familiar with state laws and look for statewide patterns of problems.

Re: OSC File No. HA-02-0751

Dear Mr. Powell:

The Office of Special Counsel (OSC) has reviewed the information you provided concerning allegations of, among other things, mismanagement of government funds; waste and abuse of government money and assets; insurance fraud; housing discrimination; employment discrimination; predatory practices against the elderly; judicial racial bias; treason; espionage; white collar crimes; and police misconduct. It appears that these allegations are made against state and local government officials in Miami, Florida.

OSC is authorized to investigate, among other things, violations of the Hatch Act, 5 U.S.C. § 1216(a). The Hatch Act (5 U.S.C. §§ 1501-1508 and 7321-7326) governs the political activity of federal employees and some state and local employees. In general, the Hatch Act prohibits covered employees from running for public office in partisan elections; from using their official authority or influence to affect the result of an election; and from soliciting, accepting or receiving political contributions. 5 U.S.C. §§ 1502 and 7323.

After reviewing the information you provided, we have determined that the allegations you presented to our office do not come under the provisions of the Hatch Act. Therefore, we are closing our file in this matter. Please call OSC attorney Ana Galindo-Marrone at (800) 854-2824 if you have any questions.

Sincerely yours,
