COLORADO EASTERN RAILROAD: A RAILROAD NO ONE HAS EVER HEARD OF

Join the Forney Museum of Transportation on October 11th at 1 PM, for a lecture by Doug Cohen about the Colorado Eastern Railroad. This is the story of a strange little railroad that had great potential. It was the only narrow gauge railroad to run out into the plains from Denver. It is also the story about ordinary people who were near greatness and fortune.

1 P.M.,
THE FORNEY
MUSEUM OF
TRANSPORTATION

GUYS & DOLLS IN-CONCERT

Gangsters, gamblers, and missionaries in concert!

Following the rave reviews for South Pacific in Concert, LTAC brings back the unique 'in concert' staging (full orchestra on stage with large cast singing and performing select dialogue) for another look at a classic American musical. The rousing energy of mid-20th century New York City mixes with legendary characters and a dazzling score. The Classic tunes come one right after the other, including favorites such as a "A Bushel and a Peck," "Luck Be A Lady," "Take Back Your Mink," "Sit Down You're Rockin' the Boat," and "If I Were A Bell." The romantic and funny story is populated with gangsters and gamblers, missionary dolls and showgirls, and one of the greatest musical scores in the history of American theatre.

HALLOWEEN FALL FEST AT THE FORNEY MUSEUM

Join the Forney Museum for the 7th annual Forney Museum Halloween Fall Fest! This safe, indoor Halloween event will be fun for the whole family! Entertain the little kids with games, pumpkin decorating, movies, scary stories, and candy. The older kids can enjoy even more games plus a haunted house. They will also have a costume contest and magician dazzling you throughout the night!

4 PM - 8 PM,
FORNEY MUSEUM OF
TRANSPORTATION
4304 BRIGHTON
BLVD DENVER, CO
80216

The event costs \$5 per person with children under 3 getting in free. The Forney Transportation Museum is a one-of-a-kind collection of over 500 exhibits relating to historical transportation. It began with antique cars, but soon expanded to include vehicles of all kinds. Some of these are familiar, while others spark the imagination.

This event is open to the community. Please invite your family and friends! Bring the family down for some good Halloween fun and enjoy being indoors! [Click here](#) for more information

CONJURE

Family still in town? We've got your after-Christmas magic!

From the group that brought you Handsome Little Devils comes an offbeat magical romance with the charm of Penn and Teller, the spectacle of David Copperfield, gut-busting comedy and a side of tragedy. Conjure is the lightheartedly macabre tale of a quirky magician who must, with the help of the audience, bring back his loving, bumbling, dead assistant to perform the magic show of a lifetime, er, after-lifetime.

STAR 94 LOVES ATLANTA

TOGETHER WE CAN HELP

Star 94 is proud to be an active part of the Atlanta Metro community. Over the years it has been our pleasure to not only entertain, but also to serve the community we thrive in. Star 94 is proud to champion several non-profit and community events on an annual basis.

* NON-PROFIT PARTNER EVENTS

If you or your organization are interested in becoming one of Star 94's "Star" Non-profit/Community partners please complete the [attached form](#) and fax it to 404-365-9026. There are many organizations that need our support and many we wish we could help. By focusing on a few, we've seen great success and can truly say we've made a difference.

* OTHER COMMUNITY EVENTS

No Non-profit/Community partner shall be left unaided. If, for some reason, your organization is not chosen to be a "Star" partner we will gladly post your event or organization on this Community Info. page. The Star web-site receives hundreds of thousands of monthly page views, so rest assured your message will be heard. To request a listing on this page, please [submit your information](#) here for review.

Good afternoon!

With the change over between Cliff Blake and our brand new regional Angie Coonrod I just wanted to drop a quick note from my chair with a reminder for our #1 Push on Florida Georgia Line's "Dirt"!

We would GREATLY appreciate your consideration and support with MAX Spins starting THIS Sunday 10/5!

Here's the latest "DIRT" FGL right now:

- "Dirt" has sold OVER 1 Million singles to date!
- "Dirt" video has over 11.5 MILLION views on VEVO
- "Dirt" set a record for the MOST ADDS EVER in one day on Country Aircheck
- NEW Album "Anything Goes" releases on 10/14
- **Upcoming TV Appearances:** Today Show, Late Night with Seth Meyers, CMA Awards, HOSTING – American Country Countdown Awards
- Nominated for CMA Vocal Duo of the Year

Thank you again for all your continued support!!

About Baseball and Love

September 30, 2014 by [Kat McMullen](#)

Peace family, even if you feel like a scared little-leaguer batting with his eyes closed, you are still loved, regardless of your performance. Sometimes we can get so wrapped up in all that we have to do, as well as our own inability to do it perfectly, that we have trouble remembering that God loves us merely because He wants to, and not because of anything that we have or haven't done. We don't have to earn his love, and we don't have to impress him. He doesn't demand that you bat 400- a ...

Peace family, when was the last time you made something special? My housemate's sweetheart came for a visit, so I decided to make tiramisu (Italian for "pick me up") following this recipe, and it was great! Even if some of the ingredients are expensive, it is sooo delicious and worth it! Why not make something special for your loved ones today? :) -Kat Tiramisu Recipe courtesy of Giada De Laurentiis from the food network website (address below) Total Time: 2 hr 25 min Prep: 25 ... Brian Christopher: 6-10a

Hi, I'm Brian Christopher. Twenty-eight years ago I started my radio career at a small AM station in Sherman, Texas. Between now and then, radio has taken me (and my family) all around this wonderful country of ours. We've lived in California, Wyoming, Wisconsin, Florida, and now finally back in Texas! My wife Diana and I have been married 22 years (she says it feels more like 32... hmmm) and have two beautiful daughters, Briana and Liana. Holly the dog rounds out our immediate family. I'm a roller coaster nut and also an old movie buff, er, I mean I *like* old movies, not that *I'm* old. (In case you're

wondering, this year I celebrated the 18th anniversary of my 29th birthday...you do the math.) I'm also a big Evel Knievel fan, love sports (embarrassing moment: being new to Bryan/College Station, the first time I heard someone say "Gig 'em!", I replied "God bless you"), and drive a little clown car. Oh, I'm also a long-suffering Minnesota Vikings fan. I'm thankful to be here at Peace 107 and am so glad you're listening! Sit back and enjoy our uplifting and encouraging music; it'll offer some peace in your life and remind you that God cares! Brian And now, my five undeniable truths of life:

1. Jesus is Lord.
2. Evel Knievel will always be cool.
3. Kirk is better than Picard.
4. There are no "gentlemen" in Gentlemen's Clubs.
5. Autumn is the best season.

Kat McMullen: 11a-1p

Hi, I'm Kat McMullen, and I love being part of the Peace 107 team! I'm a lot newer to the "radio bizz" than Brian and Jamie, but I can't imagine having better co-workers or teachers! I absolutely love sharing the mornings with you and Brian, and working the early afternoon shift. I think it makes a really big difference to start your day off on the right foot by thinking about how much God loves you and celebrating the joy of life (which is pretty easy when Brian is telling so many jokes!)

I have two cats that keep me busy, and when I'm not at the studio, I love coordinating gatherings, cooking fancy recipes, drinking tea, reading, and right now, I am trying to write my first novel.

Thank you so much for listening! I hope you will be blessed!

Jami Mayberry: 2-6p

Jami was born and raised in Amarillo, Tx, and got her start in radio as a freshman at Texas A&M University. After stints in Oklahoma City and Southern California she settled in Nashville, Tn for the last 23 years. She not only did radio but was on the State Senate Staff for the 103rd General Assembly working for Senator Mike Walker. She also became the Music Industry Liaison at the Tn Film, Entertainment & Music Commission for 2 years before returning to her first love, radio, in 2005. She dreamed of coming back home to Texas and that dream was realized in 2013 by joining the staff at Peace 107. Her favorite quote is, "To know that one life has breathed easier because you have lived, that is success." Thanks Ralph Waldo Emerson!

Also, when people would ask June Carter Cash what she was doing she would say, "Just trying to matter." That has been a focus of Jami's life: to matter. And do it for Christ. The verse that God has woven through her life over and over again is Jeremiah 29:11:

“For I know the plans I have for you, declares the Lord. Thoughts of welfare and not of calamity. To give you a future and a hope.”

She is a recovering perfectionist and is eternally trying to lose 20 pounds! When not in the studio, Jami's passions include her faith, travel, gardening, attending concerts and helping with pet rescue organizations. She is divorced but has many life-long friendships, and loves meeting new people. You can find her afternoons 2 to 6pm on Peace 107.

Each weekday, Kay Arthur leads a bible study. Find out more at www.precept.org.

Grace To You – Weekdays at 6:30 am.

A half-hour program that gives listeners John MacArthur's in-depth Bible teaching that brings the life-transforming truth of God's Word to millions of people every day.

Dave Ramsey's Money Makeover Minute – Weekdays at 7:42 am.

Each weekday, Dave Ramsey will give listeners no-nonsense advice on everything from how to deal with creditors, the best types of mortgages, trouble with credit cards, and even calls about how to handle money in a marriage.

Point of View – Weekdays from 8 to 10 am.

Each weekday, Point of View is a two-hour, issues-oriented talk radio program attracting loyal listeners nationwide. Hosts Kerby Anderson and the Point of View team cover the full spectrum of issues and current events that affect our faith, family, government, education, and basic freedoms from a Christian perspective. Point of View's loyal listening audience thrives on the daily interviews and interaction with informative guests including authors, politicians, opinion leaders, conservative activists, and subject matter experts.

Family Talk with Dr. James Dobson – Weekdays at 10:00 am.

Family Talk is a daily 30 minute program featuring Dr. James Dobson, Ryan Dobson, LuAnne Crane, and their special guests discussing family-related topics, cultural issues, and matters relevant to our Christian faith. The primary emphasis is on the principles of building successful marriages, and on raising godly, self-disciplined, and respectful children. You can find out more by going to www.myfamilytalk.com.

Insight for Living – Weekdays at 12:30 pm.

Each weekday, the radio bible-teaching ministry of Chuck Swindoll is presented to communicate the truths of scripture in an accurate, clean, and practical manner, so that people will come to an understanding of God's plan for the lives. Find out more by going to www.insight.org.

The Alternative – Weekdays from 1 until 1:30 pm.

The Urban Alternative is the national ministry of Dr. Tony Evans and is dedicated to restoring hope and transforming lives through the proclamation and application of the Word of God. Dr. Tony Evans is founder and senior pastor of the 8500-member Oak Cliff Bible Fellowship in Dallas, founder and president of The Urban Alternative, former chaplain of the NFL's Dallas Cowboys, and present chaplain of the NBA's Dallas Mavericks. His radio broadcast, The Alternative with Dr. Tony Evans, can be heard on more than 850 US radio outlets daily and in more than 80 countries.

Just Thinking – Weekdays from 1:30 until 1:45 pm.

Just Thinking is a quarter-hour weekday broadcast. The broadcast outreach of RZIM is a listener supported ministry that powerfully mixes biblical teaching and Christian apologetics. The programs seek to explore issues such as life's meaning, the credibility of the Christian message and the Bible, the weakness of modern intellectual movements, and the uniqueness of Jesus Christ.

Bonus Breakaway with Ben Stuart – Weekdays from 1:45 until 2 pm

Missed last week's Breakaway? Catch it this week on KAGC! Each week's Breakaway discussion is broken up into ±15 minute segments throughout the week. Breakaway is a non-denominational, weekly Bible study on the campus of Texas A&M University. Breakaway began in 1989 when twelve Texas A & M students gathered in an apartment to pray together and seek to know God through His Word. God has moved tremendously in the years that followed, growing the ministry from hundreds to thousands, from a tiny apartment to the largest meeting spaces on campus. Now in the midst of hectic

Wretched Radio with Todd Friel — Weekdays from 2:00 until 3:00 pm.

The Bible says that everyone is wretched (Romans 3:23). The Great news is: God has a plan to save wretches. That is what Wretched Radio is all about.

Like no other Christian radio and television broadcast, Wretched focuses on proclaiming the Good News for wretches. Youth and adults love the engaging, conversational, spontaneous, highly produced delivery of Wretched. Fast paced, energetic, topical, theological and fun, Wretched dives into the news of the day from a Christian perspective. But Wretched doesn't just talk about today's news, Wretched also discusses old dead guys. Like no other program, Wretched artfully weaves between contemporary and classic topics. Wretched Radio has been on the air for ten years and is available in 70 million American households.

Free First Friday Concert at Grand
Stafford

By ZACK PATRICKS | Published: OCTOBER 1, 2014

First Friday is fast-approaching and you need to plan to be in Downtown Bryan to catch a free concert at the Grand Stafford Theater. Doors open at 8p, so make sure to get your pre-party in early.

Electric Attitude

From [GrandStaffordTheater.com](#):

Only a city as eclectic as Houston, Texas, could generate a band as unique as Electric Attitude, 2011, 2012, and 2013 Houston Press Music Award winners for "Best Soul/Funk/R&B" act. Blake Shepard, Kwesi Sackey, and Jordan Bell formed the nucleus of the band in the summer of 2008, and as the thousands who have seen them perform since that time can testify, EA have the power to liven up any audience and turn any room into a dance-floor. Newcomers often walk away from EA shows as fans, and are left with the feeling that they've attended a great party. As Kwesi says, "Our goal is to make music that makes you feel good and sexy, and also makes you shake what you got!"

Modoc

From [GrandStaffordTheater.com](#):

Rock music may not hold the cultural sway it did in the days of Zeppelin or Hendrix, but don't tell that to MODOC. Or tell them, sure, but embrace yourself for the clear-eyed defense of the genre coming your way. Like the Nashville trio's

contemporaries in Black Rebel Motorcycle Club, Queens of the Stone Age, and Band of Skulls, MODOC are weathering this cultural lull just fine, carrying the torch for the sort of gritty, swaggering rock music that topped the Billboard charts long before bedazzled pop tarts ever had a say. Indeed, the band's self-titled debut, released in 2013, revs and hisses like a classic jet black Mustang speeding top-down on a desert highway — each explosive riff and anguished tale taking us miles away from the garage in which it was produced.

"Runnin" (Official Video) - MODOC

Taz & Company

From GrazedStallionTheater.com

Taz is no newcomer to the Bryan/College Station music culture as he's performed shows and open mics since he began his college career at A&M. As a multi-instrumentalist, Taz's lush harmonies and unique instrumentation have, over time, created a signature sound; a concoction of suave jazz, r&b, and almost anything else that can be played on six strings. His music can be described as electric and innovative, a blue fire pirouetting to be witnessed. This Friday he will be joined by fellow musicians Amy Westwick, David Johnson, and Brenton Kim to reinvent the craft of the acoustic experience. Using a wide variety of songs and instruments, this group will have you singing along to the classics.

Videoing

From GrazedStallionTheater.com:

Videoing combines analog/digital sampling with guitars, synth, drums and alternately soaring stiletto chic vox to reimagine electropunk in the millennial dance age. Videoing, a music project from Austin, TX naves hi-tech intentions with lo-fi cogs, gears and whistles, offering up a sound meant to be unique but familiar, gritty but smooth, driving but calm. Opting for unorthodox recording methods, videoing has shied away from strict studio settings and features tracks put down in bedrooms, kitchens, closets, and showers. The intended result is a variety of styles and feels ranging from post punk to anthem to dance to shoegaze to psych to math. The intended result is a variety of styles and feels ranging from post punk to anthem to dance to shoegaze to psych to math.

The Morning Mavericks

Drake and Mel, have the honor of being the first show to debut on the all-new Maverick 102.7. They each have the pedigree to make the station a bonafide success. Adam, a 12 year radio vet with 5 years in the Bryan/College Station market, grew up small town and fell in love with country music at a young age by listening to Willie, Waylon, Garth, and Strait with his dad. Mel, Aggie class of '12, spent time in Nashville as an intern for the Country Radio Seminar (CRS) where she was able to gain valuable knowledge of the country music industry. With just a few months of on-air work, she landed a full time job with another station in town. When the all new Maverick 102.7 was announced, Adam knew there was no better choice to have with him in the mornings than Mel. Now, The Morning Mavericks with Drake and Mel are poised to change the country music landscape of Bryan/College Station with an energy and presence that will be hard to match.

Drew Williams In The Afternoons

I'm a Florida boy, born & raised! I'm from a family of musicians and broadcasters. My dad actually created and ran a Christian television station with my grandparents when he was a teenager; so broadcasting is in my blood! I was blessed with my first real gig in radio at 17 years old at a little AM station in my hometown. From then on, the rest is history! Since then, I've had stops throughout the southeast which ultimately have led me to beautiful Bryan/College Station! Connect with me on twitter and Facebook !

National Association of Broadcasters Marconi Award winner, 2004 Adult Contemporary Station of the Year and 2011 Small Market Station of the year

2013 Report to the Community

WLEN received 5 Best Award for Breaking News, Marketing Materials and Promos, Sports, Special Show Personality or Team, and Play by Play, and 3 Merit Awards for Personality or Team, Play by Play and Community Involvement at the Michigan Association of Broadcasters ceremony in March of 2014!

While the economic recovery was occurring in many parts of the country, it was coming much more slowly to our Michigan community. In 2013, we continued to suffer high unemployment and record home foreclosures. Our significant population decline diminished the pool of those able to give. Priority needs were homelessness, hunger and unemployment. We broadened our reach as a community resource, promoted a strong education foundation and helped to build county-wide collaboration. The year saw us touching over \$2,000,000.00 in community giving. A 3kw single FM in a community of 20,000, we touched over 100 organizations. We sponsored Hometown Hope, and each month designed and donated a \$3,500.00 marketing grant to a different local non-profit. We organized fundraising events and assisted others with their events. Our staff of 17 donated over 1,000 volunteer hours. We broadcast over 54,734 public service announcements and generated more than 400 hours of community affairs programming. We kept our community safe during storms and power outages and educated and informed our audience with local news, political coverage, weather and information. In 2014, we will continue to strengthen our local community and help people and organizations help themselves and help each other.

2013 Report to the Community

News

As a community Radio Station, we are committed to local news. We have no local television stations and only one daily newspaper, so our community depends on us for local news and information. We cover city/village, township and county government meetings each month, as well as 13 local school districts. Our news coverage is comprehensive with 13 daily newscasts Monday through Friday. In addition, we cover news headlines three times a day. On Saturday, we have 10 local newscasts and on Sunday, 8 local newscasts...for a total of 4,316 newscasts annually. Our news department consistently wins awards on a state level, and 2013 was no different. WLEN received awards for newscast, breaking news and feature news.

WEATHER!

In Michigan, we take the weather very seriously. In addition to securing the services of a meteorologist, we offer comprehensive weathercasts; 2 per hour 24 hours a day, or 17,472 weather programs annually. We have a weather line with the latest forecast available 24/7 and we have the local NOAA forecast available with a link on our website.

When NOAA came to us and wanted to use our tower for their weather service, we gladly obliged. In addition to donating tower space to NOAA, we donate space to our local REACT organization. They are a group of two way radio aficionados who are trained in emergency services and mobilized in local emergencies. Our contribution to REACT and NOAA are in excess of \$40,000.00 in services, tower space, electricity and generator use annually.

We are the only local station with auxiliary power at both our transmitter and studio sites, so we are able to broadcast emergency information and keep the community safe. Between severe weather announcements and auxiliary power services, we are contributing over \$50,000.00 annually to our community.

Community Affairs Programming; Community Conversation

fm 103.9 fm

WLEN serves in the community affairs category with several programs, including Community Conversation. This 15 minute program is hosted by our Program Director, Dale Gaertner, and it airs 4 to 5 times per week. The community service time value is \$26,000.00.

We covered every aspect of community need with a focus on Homelessness, Hunger and Unemployment including: Habitat for Humanity, Project Connect, Lenawee Continuum of Care, Croswell Opera House, Tecumseh Economic Development, Lenawee County American Legion consortium, Adrian Schools Education Foundation, Lenawee County Health Department, Adrian Kiwanis Club community foundation grants process, Lenawee Community Mental Health, Disabilities Awareness, Communities in Schools, Tecumseh Center for the Arts, Senior Center Services, Community Action Agency, American Red Cross, Emergency Management Code Red System, Hospice of Lenawee, Lenawee County Sheriff's Office, Crime Stoppers, Lenawee Intermediate Schools Scholarship Program, Lenawee Community Foundation, Boys and Girls Club, Boy Scouts, Food Bank of South Central Michigan, CAA Housing Assistance Program, Special Olympics, Letter Carriers Food Drive, Voices for Change, Youth Leadership Program, Junior Achievement, Lenawee County Homeless Education program, Lenawee Substance Abuse Prevention Coalition, Lenawee Emergency Housing program, Lenawee County Mission, "a night without a home", Veteran's Service Homeless program, Associated Charities ...all this and so much more.

2013 Report to the Community

Community Programming; Public Service Announcements, local talk shows and Community Highlights

At WLEN, our Community Events Calendar, our Public Service Announcements and our local 3 and ½ hour talk show “Partyline Now”, go hand-in-hand to fill the need of the hundreds of non-profits in our community.

Our “Partyline Now” talk show airs each Saturday morning from 8:30am until noon. In addition to being a community forum for citizen voices, it is also a place for non-profit organizations to be our guest, field questions, share concerns and get the word out about services. This program provides a community service in excess of \$39,000.00 annually.

Our :30 and :60 Public Service Announcement Campaigns air daily. We air 4,380 of these announcements annually and 99% of them are used by local organizations and produced by WLEN as an educational tool for our community. Be it the United Way Campaign, or a call for Habitat volunteers; this is an annual donation in excess of \$87,600.00. These are all unpaid minutes.

To WLEN: Dale, Jerry, and Steve

What a terrific time we had sharing with you all during the month of January! The conference, call interview we had that one morning was very successful, even though it was a little strange not being able to see you, as they had a line at their door that morning of people buying parties from the Habitat office on their way to work! It happened again after our Community Conversation time as well.

So you have helped us reach a total of almost \$18,000 so far. And we still have more to sell.

Thank you so much for your help, support and friendship.

*Sincerely,
Norm and Sally Glasser

Dear Dale,

Thank you for sponsoring Delta High School's third annual *Rock for Autism* fund-raiser for the Autism Society of Northwest Ohio with your contribution of on-air interview and promotion. The event raised over \$4000 for our organization.

Each year the Autism Society strives to advance our mission to *improve the lives of all affected by autism*. The latest study by the Centers for Disease Control (March 2012) indicates that *1 in 88 children born today will develop an autism spectrum disorder*. Your generous donation helps us answer the increasing number of phone calls from families looking for direction when they suspect their child has autism. It helps us provide them with information and referrals about topics and services needed throughout the lifespan of their loved one. In addition, your donation helps us run support groups for families (including our *Sibshop* for brothers and sisters 8 to 15 years old), present educational programs and training for parents and professionals, plan family events, conduct our extended year summer school program, advocate for more services in the community, and increase the awareness of autism.

The Autism Society's goal is to continue to make a difference in the lives of people affected by autism. As the incidence of autism continues to grow, thanks to you, the Autism Society of Northwest Ohio can be right there helping families deal with this challenging diagnosis.

We appreciate your support and hope that you will participate in next year's *Rock for Autism*, tentatively scheduled for April 2014, so that we can continue to help all affected by autism. On behalf of the many families who will be supported by this contribution, we are very grateful.

Cordially,

Linell Weinberg
Executive Director

All donations to the Autism Society of Northwest Ohio are used for charitable purposes. No goods or services were provided in exchange for your donation. The Autism Society of Northwest Ohio is a 501(c)(3) tax exempt organization. Your donation may be deductible as allowed by law.

Our Community Events Calendar is utilized by schools, clubs, churches, and other civic non-profit organizations to inform our community about their events. We run one :05 announcement three times each hour from 5am til midnight and air a 4 minute community calendar 5 times a day. This amounts to a total air time value of \$389,200.00. These are all unpaid announcements.

On-Line Services

Our community service transfers to our on-line presence as well. At wlen.com we provide tens of thousands of dollars in community service. On our classified on line website, users can buy, sell, trade, rent and giveaway for FREE, absolutely no-charge! This also includes the ability to post pictures of items for sale. We have over 1 million page views each month over 90,000 unique IP addresses, and over 62,000 registered users.

Mornings With Jerry and Steve-Weekdays at 7:40am we make available a live 5 minute interview segment to local organizations and non-profits. Value: \$13,000.00 annually

2013 Report to the Community

Hometown Hope

Focusing on our goal of combating Homelessness, Hunger and Unemployment, and with our community plagued by some of the highest unemployment and foreclosure rates in the country, we renewed Hope with our Hometown Hope program. We offered marketing grants valued at over \$3,500.00 to a different local non-profit organization each month. These organizations applied for the grant and a panel of station personnel and business leaders made the selection. Please read on as a short description of each recipient organization is included.

On-air support prior to the event (interviews, PSAs, promo spots): Each organization received 150 :60 commercials to run in their month.

On-air support during/after event (remotes, live reports): Each organization received a 2 hour live broadcast, a 15 minute Community Conversation Interview and a live 7:40am interview on our morning show during their selected month.

Online support (streaming, Web presence, emails): Each organization was featured on our website.

Total staff hours contributed: Over 200 staff hours were allocated to this project. Including solicitation of grant applications, grant application judging, consultation on their marketing campaign, copy writing, production recording, program recording, live on-site broadcasts and some good old fashioned hand-holding.

Event result: Community awareness of the programs and service increased ten fold, provided by the \$42,000.00 in grant advertising donations. Each of the following organizations received this grant and all of the above.

January - South Central Michigan Works

South Central Michigan works has been serving Lenawee County for over 16 years. Their mission is to get the Lenawee County Community and its businesses back to economic prosperity. They serve over 1500 people annually in the Lenawee County area. They used the Hometown Hope Grant to increase awareness of services to individuals and businesses; serving people in finding employment and businesses in finding skilled workers, helping to combat unemployment across the region.

February– Housing Help of Lenawee

For 22 years, Housing Help of Lenawee, formerly LEAHC has been providing homeless prevention activities to Lenawee County. Their mission is to advance housing stability and affordable opportunities for low-income people and those in crisis or at risk. Over the last year they have provided services to 1, 872 individuals. The Hometown Hope Grant allowed them to increase awareness of their programs and services to help combat homelessness in our community.

WLEN
P.O. Box 687
Adrian, Michigan 49221

Dear WLEN staff,

On behalf of the Communities In Schools of the Tecumseh Area's Board of Directors, I want to sincerely thank WLEN and McDonald's of Lenawee for choosing CISTA as the Hometown Hope organization for the month of March 2013. We realize that there are many valuable programs and organizations in our community and we are grateful for your faith in our mission to surround students with a community of support, empowering them to stay in school and achieve in life.

During the month of March our site coordinators, board members, students, and executive director participated in recording 5 separate psas, a community conversation, interview with Jerry and Steve, and a live remote. We are very grateful for the opportunity to educate Lenawee County about our organization. It was greatly appreciated! I would also like to thank Kathy Williams, Dale Gaertner, Katie Galazka, and John Koehn for making our experience with WLEN wonderful. Everyone is always so nice!

Our organization could not move forward to accomplish our mission without the support of the individuals, organizations, and foundations that care about the future of our youth. Your continued support means a great deal to Communities In Schools of the Tecumseh Area. Again thank you for your generosity!

Sincerely,

Heather Masten

May – Family Counseling and Children's Services - in operation since 1961

FCCS oversees many programs in the community, including individual, marital, family and group counseling, the Catherine Cobb Domestic Violence and Sexual Assault Program, the Domestic Violence Alternative Program, Parent Education Program, and a state-licensed Foster Care and Adoption Program. Counseling services are provided to nearly 100 families and individuals each week. The domestic violence program serves over 450 women and children annually. Last year, 88 foster children were placed, and 29 children found permanency and love in adoption. With the Hometown Hope Grant FCCS increased awareness of their services, built a larger network of foster care homes, and inspired work on domestic violence by garnering people and resources to help make positive changes. Stability for all members of a family is critical to ending homelessness, hunger and unemployment.

2013 Report to the Community Hometown Hope

March – Communities in Schools of the Tecumseh Area

CISTA provides programs and services that focus on a wide range of needs, including; academic assistance, social behavior, organization skills, study skills, health and fitness, basic needs and career and college exploration. They bring together programs and services that work with classrooms on a "whole school" level. The HTH grant allowed them to educate the public about their organization. Education is the key to ending homelessness, hunger and unemployment.

April – Habitat for Humanity of Lenawee County

Habitat's vision is "a world where everyone has a decent place to live". Habitat for Humanity of Lenawee County has constructed over 35 new homes, rehabbed 5 homes, and rededicated 11 homes to new homeowners. They also operate the Re-Store, where donated building materials and household goods are sold to fund their mission. They used the Hometown Hope Grant to recognize the dedication of two housing projects coming to conclusion and to promote two fund raising events for the Re-Store. Habitat for Humanity of Lenawee was established in 1989. Habitat of Lenawee is working toward a community free from homelessness.

Dear Friends at WLEN Radio,

CHILD WELFARE PROGRAMS:
Foster Care
Adoption

Thank you for granting Family Counseling and Children's Services the opportunity to be the Hometown Hope agency for the month of May! From recording the Public Service Announcements to our live broadcast, our staff was excited to get the opportunity to be in the spotlight!

FAMILY SERVICES:
Individual Counseling
Family Counseling
Psychiatric Services
Domestic Violence
Alternative Program

Even more exciting for the agency was the chance to share with you and your listeners the life-changing work that we do each and every day. Our retirement parties are fun, but the sheer volume of clients that we are able to serve each year is what really makes our jobs so special. From watching a family in the foster care system grow, learn and be reunited to helping troubled teens struggling with depression and anxiety, the work done within our agency is invaluable to this community.

I'd like to take this opportunity to thank you once again for selecting Family Counseling and Children's Services to be the May 2013 Hometown Hope Recipient. Your continued support of our agency is vital to our success and is what makes it possible for us to not only help **change** lives, but sometimes even **save** lives.

ACCREDITED

Please know that you are making a difference – and that we consider WLEN a partner in the quest to help families and individuals make positive changes in their lives. The successes enjoyed by those we serve truly make Lenawee County a happier, healthier place to live!

With Many Thanks,

June – Lenawee District Library
 The Lenawee District Library has been in existence since 1935. The library serves the citizens of the county by providing materials for lending, programming and technical assistance. They serve six locations around the county. Through the Hometown Hope Grant they built awareness for their services, locations, the bookmobile and summer reading clubs. Education is the key to a strong and healthy community.

July- Lenawee County Mission
 The Lenawee County Mission began serving the male homeless population in Lenawee County in 2006. They offer a Fresh Start and Life Change program and have since added the Fishes and Loaves Food Pantry serving 15,000 individuals with over 275,000 pounds of food, and Blessings and More, a resale store that not only raises funds for their mission, but also provides educational, vocational and employment opportunities for the men in their program. The LCM used the grant to increase volunteerism in the organization and formed partnerships for expansion opportunities to provide for the physical and spiritual needs of the hungry, homeless and addicted. Their mission fills the community's critical need of ending homelessness, hunger and unemployment.

Dear Julie and WLEN Family,

I want to take this opportunity to express my sincere appreciation for your honoring Lenawee County Mission with the "Hometown Hope" grant for the month of July.

As a non-profit organization fully reliant on the donations of community members, we strive to be fiscally responsible to our donors and therefore have a small, limited budget for advertising and awareness expansion. Your generosity helped us immensely in this area, especially as we were kicking off the recent opening of our first social enterprise, Blessings & More. This award, with its versatile structure, helped us bring greater awareness to the needs our organization immerses itself in, namely, the hungry, the homeless and the addicted, as well as provide a vehicle to help communicate the relationship between our three facilities (the Mission, Fishes & Loaves Food Pantry and Blessings & More) and the purposes they serve.

I can tell you that because of this award and the awareness it helped bring to our organization, we have increased our donor base, increased in volunteerism and increased in the numbers of hurting people seeking healing and hope from us.

For all of this, I submit a heartfelt 'thank you' and I praise you for this opportunity and tradition you give to organizations like ours. Your generosity reflects the core values this community holds dear and distinguishes your business as one who truly cares about this community we all love.

Thank you again and may you continue to do this great work.

Sincerely,

 Pastor Steven Palmer

Dear Julie:

On behalf of Hospice of Lenawee, we would like to thank you for selecting Hospice of Lenawee as a 2013 Hometown Hope Grant recipient. We are truly grateful, as it will help us to further educate our community on Hospice of Lenawee and Hospice services in general.

Hospice of Lenawee's mission is to provide compassionate, patient and family-centered care to the people of our community during and after the last season of life. We know that the work that we do touches so many patients and families who need our care during that most sacred time. However, we could not serve those in need without the ability to "get the word out" and reach those people who would not otherwise be aware. Your generous support in this area through Hometown Hope and beyond is critical. Please know that it does not go unnoticed.

Thank you again.

Sincerely,

August – Hospice of Lenawee
 Hospice of Lenawee provides compassionate, patient and family centered care to people of our community during and after the last season of life. In 2012 Hospice of Lenawee opened the Hospice Home; a facility offering residential care. It was a \$5 million dollar project much needed by the community. Hospice used the grant to educate the community on what Hospice means and to address misconceptions about Hospice. They also promoted their bereavement services available to anyone in the community. Their services are provided regardless of ability to pay, which allows those with limited resources a caring, compassionate and respectful end of life option.

September – Lenawee United Way Annual Campaign

Lenawee United Way is a non-profit community impact organization seeking to improve lives by mobilizing the community to create lasting changes in local conditions. 1 in 3 people in Lenawee County are served by programs funded through the Lenawee United Way Campaign. They also provide the services of 2-1-1 and engage over 450 volunteers annually in the campaign and in the annual Day of Action. The LUW used the Hometown Hope Grant to kick off and promote their annual campaign.

October - Homeless Education Program

This program is in its 11th year of operation in the Lenawee County Public Schools. The program works with homeless students and families to ensure enrollment, transportation, and success in school, even while the family is homeless and may be moving multiple times. Last year, Homeless Education served over 600 homeless students in Lenawee County. The Hometown Hope Grant will developed awareness and sensitivity to the true issues of homelessness. The grant was also used to promote their annual fundraising/awareness event, Pajama Rama.

November – Communities in Schools of Lenawee

CISL has been in Lenawee County for 15 years. They are committed to surrounding students with community support to keep them in school. They position coordinators in partnering schools to address student needs and bring in needed community resources. Several of their county wide initiatives include: Anti-Bullying Task Force, Lenawee Urban Exchange, Lunch Buddies and Mentors, Parent Workshops, Voices for Change and Youth Assets Development. They used the grant to increase volunteers in their organization and to promote their Parenting Workshop Series. A strong education and family life promotes self sufficiency and helps to end homelessness, hunger and chronic unemployment!

Attention: Ms. Julie Koehn
Dear Ms. Koehn,

Julie

We can't do it without you! Communities In Schools of Lenawee (CIS) would like to thank you for your selecting us as your 2013 Hometown Hope Grant November recipient. Your support will help in our outreach efforts and we are excited to be able to utilize the "power" of radio to share our work. CIS remains committed to helping surround students with a community of support because schools simply can't do it alone.

A 6th grade girl struggled with her behavior for years. Her records reflected a long line of disciplinary incidents. She made great improvements through her mentoring. When I was following up with her I asked, "What made a difference for you? You always knew right from wrong. Why did you suddenly start making right choices?" She said, "I just didn't know it mattered. Now I do." CIS Mentor at AMS 5/6

December – Region 2 Area Agency on Aging

Region 2 Area Agency on Aging provides services to older adults and persons with disabilities to help them stay in their homes and in their communities. They serve Lenawee, Hillsdale and Jackson Counties. R2AAA was created in 1974 under the auspices of the City of Adrian. They used the marketing grant to highlight their services, including; Medication Reconciliation Management Program, Building Training...Building Quality, Nursing Facility Transition Program, Michigan Medicaid Waiver Program, Senior Community Services Employment Program, and the Care Management Program. Keeping our older citizens in their homes and gainfully employed if possible extends their quality of life. Homelessness, hunger and unemployment affects our community at every age.

2013 Report to the Community

Anti Bullying PSA Contest for Youth

Because we believe that our kids need to feel safe in school in order to achieve, we knew we needed to be a catalyst of awareness on bullying. The increase in recent school violence led us to the creation of the Anti-Bullying PSA contest. We knew the messages needed to come from those closest to it, so we launched a PSA contest for youth. We had two grade/age categories; grades 5-7 and grades 8-10. The six winning students/youth groups recorded their PSA's at the radio station and we aired them from June through December. The class or organization of the winning entries in each category received a \$100.00 stipend to use as they wished.

On-air support prior to the event (interviews, PSAs, promo spots): 105 :60 announcements soliciting entries for the contest. We also reached out to youth organizations to help get the word out; including the Lenawee Youth Council and the Anti-bullying Task Force.

On-air support during/after event (remotes, live reports): The six winning PSA's aired Monday through Friday on WLEN June through December. A total of 632 :60 announcements aired.

Online support (streaming, Web page presence, emails): This event was supported on line through our website directing people to entry forms on the site. We also used social media to promote the contest; including Facebook and email blasts to over 3000 in our database.

Total staff hours contributed: A total of 4 staff members donated over 50 hours, through promotion of the contest, lining up judges and judging the contest and producing the commercials with the young people who were the winning authors.

Event result: Total donation of air time was in excess of \$13,000.00. This event directly impacts the youth in our community. It is part of the goal; as a safe environment instills better learning....and an education is a direct way to end homelessness, hunger and unemployment.

The local Intermediate School District was so impressed with the results of this program, they had the winning youth produce videos corresponding to their PSA's for airing on the LISD's local TV site. We embraced the collaboration and welcomed the support and interest! The more hands keeping our kids safe the better!

We had participation from school classrooms, individual young people and Girl Scout groups. We anticipate even bigger participation in 2014, when we will add an additional category for grades 11-12.....at the request of several teachers!

WLEN Rachel's Challenge anti-bullying winners listed

The Rachel's Challenge group from Sand Creek Schools placed first in grades 8-10 of the anti-bullying contest. Alison Carpenter from Adrian High School was runner-up and students from Tricia Brosamer's eighth-grade class at Madison placed third. In the grade 5-7 division, Cathie Lewis' fifth-grade class from Blissfield Community Schools was first. Girl Scout Troop No. 60268 was second. Students in Jill Brandeberry's sixth-grade class at Madison were third. The winners have all recorded public service announcements to air on 103.9, WLEN for the rest of 2013. This project was undertaken to bring awareness to bullying in our community, and was generously supported in part by Midwest Energy Cooperative and Touchstone Energy, Lenawee County's member-owned electric utility.

American Cancer Society Relay for Life Celebrity Pie Auction!

Our community has a 17% higher incidence of cancer than the national average. Cancer has touched many lives in our community, so as part of our participation in the local ACS Relay for Life, we host a celebrity pie auction. Each hour beginning at 6am and running until 5pm, we auction off pies to the highest bidder. The pies are donated by station personnel, local dignitaries, elected officials and businesses.

On-air support during/after event (remotes, live reports): We donated the entire broadcast day from 6am to 5pm. A total of 250 :60 announcements were run about the event. 200 prior to the event soliciting donations and publicizing it and 50 post event as a thank you to donors and the community and to announce our total. It was also covered in a 24 hour news cycle.

Online support (streaming, Web page presence, emails): This event was supported on line through our email database and our Facebook page.

Total staff hours contributed: A total of 4 staff members donated about 10 hours each to this event!

Event result: \$3950.71 was raised as was the awareness for cancer services and cancer in our community. We also raised awareness for the Relay that was held a week later when we participated with a live broadcast and helped bring in over \$100,000.00. Improving the quality of life and health in our community helps everyone stay fed, housed and employed.

Thank A Vet!

Veteran's Day has always been important to us at WLEN. We believe those who serve must be honored. 8 years ago, WLEN Marketing Consultant Jim Mooney, a Veteran himself, decided we needed to help homeless Vets and "Thank a Vet" was born. We stand curbside for 12 hours collecting funds for the Veteran's Dire Needs Fund administered through the Lenawee County Emergency and Affordable Housing Corporation aka Housing Help of Lenawee. The fund is specifically to help Veterans with immediate needs like money to keep their utilities on, help with rent or storage units when they are displaced. Sometimes it's something as simple as a pair of boots to get a job. We interviewed members of our local American Legions, VFW's, Amvets and Veterans Administration representatives. In addition, we had local schools support the effort with student events, including a hat day (donation to wear a hat), a coin drive and a bake sale. The schools participating raised over \$1,778.22 toward the event.

On-air support prior to the event (interviews, PSAs, promo spots): 250 radio announcements about our all day broadcast to collect funds.

On-air support during/after event (remotes, live reports): Beginning at 6am, we went on the air and stayed curbside until 6pm for a 12 hour live broadcast marathon. We then ran news coverage and a schedule of 50 radio announcements with event results and to thank those who gave.

Online support (streaming, Web page presence, emails): This event was supported on line through our website as well as with posts on our Facebook page and email blasts.

Total staff hours contributed: A total of 10 staff members donated about 100 hours to this event.

Event result: When the dust settled, we raised over \$18,500.00 exceeding our goal and making it the most successful year ever. Our airtime donation exceeded \$8,800.00. This event directly relates to assisting with homelessness and hunger and reducing unemployment for our veterans and our community.

Adrian, MI 49221

Dear Ms. Koehn and WLEN Staff:

On behalf of Housing Help of Lenawee (formerly Lenawee Emergency and Affordable Housing Corporation - LEAHC), please accept my sincerest appreciation for entrusting our organization with the monies raised during the 7th Annual "Thank a Vet" fundraiser that took place last November 9, 2012. With the support of our community, 103.9 WLEN was able to raise \$10,166 for Lenawee County Veterans with dire needs.

From December 2012 through present day, Housing Help has met with and provided services for 30 veterans and their families. Housing Help partnered with as many agencies and businesses as possible to ensure veterans were assisted. We also assisted many veterans with other funding sources in an effort to maximize the resources available in the Veterans Dire Need Fund.

This year's Veterans Dire Need Fund began with \$10,166 and so far has assisted 18 veterans with items, such as vehicle repair and other transportation barriers, past due mortgage, past due rent, first month's rent, security deposit and utility shut off notices. Please see the report on page 2 for additional information. An average of \$564 was paid out for each veteran who was financial assisted through the Veterans Dire Need Fund.

Thank you again for making the fundraiser last November such a great success. We look forward to this year's event, scheduled for November 11! *Together*, for our neighbors in Lenawee County, *we are making a difference for people in housing crisis.*

A total of 54 veterans and their families were assisted by Housing Help of Lenawee (formally known as LEAHC) during the past year.

Of those, 30 veterans were referred to the Veterans Dire Need Fund and 18 of those referred were financially assisted. The following report is a breakdown of funding utilized for those veterans.

Dire Needs for Veterans Funding 2012-2013 Data

The beginning balance of \$10,166 was utilized to assist 18 Lenawee County veterans with the following:

- 7 veterans assisted with first month's rent and/or security deposit.
- 4 veterans assisted with past due rent.
- 2 veterans assisted with past due mortgage.
- 2 veterans assisted with vehicle fuel.
- 1 veteran assisted with a utility shut off.
- 1 veteran assisted with Dial-A-Ride tokens.
- 1 veteran assisted with vehicle repair and tow.

Note that 12 veterans did not qualify for services. Three veterans were not assisted because their needs were met by other resources. Three veterans withdrew their requests for assistance and 6 veterans were denied financial assistance due to not following through with services.

The United Veteran's Council presented us with an award to recognize our ongoing efforts to assist our veterans.

WLEN 'Thank a Vet' raises more than \$18,500

Patt Hayes, Julie Koehn, Jim Mooney and Kathy Williams (all of WLEN) and Suzanne Miller from TLC Community Credit Union are pictured with a donation. On Nov. 8, WLEN Radio hosted the eighth annual Thank a Vet day. This day is in celebration of Veterans Day and is an event to raise funds and awareness for homeless and other veterans in need in Lenawee County. More than \$18,500 was raised in 12 hours for the "Veterans Dire Needs Fund" distributed through Housing Help of Lenawee, formerly known as the Lenawee Emergency and Affordable Housing Corp. WLEN staff, local veterans' organizations and area business people stood curbside and collected funds to support local veterans; these funds are distributed throughout the year to local veterans for assistance with rent, mortgage payments to avoid foreclosure, utility bills, rental facilities to store possessions when they are displaced, transportation stipends and for things as simple as a pair of boots. This year TLC Community Credit Union joined WLEN with a matching funds program, matching donations to the Happy Hundred Club by 50 percent, which raised an additional \$3,000 from TLC. To date more than \$60,000 has been raised in this event and distributed to local veterans in Lenawee County.

Onsted was one of 4 schools who held fundraising events in support of Thank A Vet. They had a coin drive and raised \$724.78.

More Connections

Volunteering is part of what we do @ WLEN. Our staff of 17 full and part time broadcast professionals donate in excess of 1,000 hours to our community. Whether we are emceeding the Relay for Life, walking to raise funds, or hosting a HOPE Community Center event for special needs adults, we make service a priority. In 2013 we officially formed the WLEN Community Action Squad! We believe we are an important and integral part of our community. For us, there's no place like home and no better way to combat homelessness, hunger and unemployment than by giving of ourselves to projects that need us in our community.

Here we are walking to raise money for those who need assistance with utility bills! Keeping people warm and safe in their homes!

Walk for Warmth

Julie Koehn
PO Box 423

Dear Julie,

Thank you to you and your team for participating in Walk for Warmth in 2013! With your team's help, over \$19,000 was raised assisting 53 families. Below is how one family was helped:

We were able to help a family of three with a Consumers Energy bill. The wife had lost her job in January, 2012. Since that time the family has struggled to keep rent and bills paid from month to month. DHS assisted with this bill, along with a client payment. Then United Way funds were used to help enable the family to set up a budget plan with Consumers to make their utilities more affordable. (Salvation Army)

The United Way 2-1-1 Call Center consistently reports utility assistance as the highest requested need and highest unmet need in Lenawee County. 20% of all unmet needs are for utility assistance. Federal and State sources for utility assistance are becoming more restrictive and are decreasing, leaving families with nowhere to turn and literally out in the cold.

Walk for Warmth will be held again on Saturday, February 22, 2014. We would welcome WLEN, to once again, raise awareness of this need in our community by participating in the 2014! Enclosed is a brochure/pledge form to collect pledges to assist those in need during this winter season.

If you need additional pledge forms please contact Community Action Agency at 263-7861 or make copies of the enclosed pledge form.

“Freestyle”

Written by Dave Haywood, Charles Kelley, Hillary Scott and Shane McNally
Produced by Nathan Chapman and Lady Antebellum

Ah, we gonna do this thing?
Well come on then

River road, Chevy van
Cherry Classic Coke can
Rolling on the floorboard
Fleetwood, Macklemore
Coming out the speakers
Spilling on our t-shirts
Getting loud
Like we're standing in the bleachers
Creek bank, tire swing
Peeling off our blue jeans
Skinny dip, show the fish a couple new things

Chorus:

Hey there ain't nothing wrong
Just making it up as we go along
Find a little rock and roll hallelujah
Throw your hands up high if the spirit moves ya babe
Singing hey, hey, hey
We can do it old school ABC style
Maybe we could go a little wild and freestyle

Summer jam mix tape
Vodka in your Gatorade
Alright, alright, like McConaunhey

White vinyl
Gypsy revival
Driving through the middle of the belt of the Bible
Hula girl grass skirt
Shaking on the dashboard
Where we're going we don't need no passport

Repeat Chorus

Ah some of us like to watch
And some like to dance
Though we all wake up with the same
Stamp on our hands
Counting stars and counting cars
And just counting miles
Doing it freestyle
You style, me style
Ain't got no where to be child

Repeat Chorus

Hey guys!

We had a great week of sales in Houston and I just wanted to share. 😊

Since you moved Canaan up, he's increased every week. Two weeks ago, you went from 8 to 20 spins and his sales increased 125%, last week they increased another 53%.

You also moved Scotty up last week. Those 23 spins helped him increase sales 73%!

XO,

J
